*"Here was a friend whose heart was good;
He walked with men and understood.
His was a voice that spoke to cheer,
And fell like music on the ear.
His was a smile men loved to see;*

*His was a hand that asked no fee
For friendliness or kindness done.
And now that he has journeyed on,
His is a fame that never ends —
He leaves behind uncounted friends."*

RING OUT THE OLD! RING IN THE NEW!

AS THE YEAR comes to an end, we reminisce with fond memories of the events of 1964. Now we look eagerly forward to meet the challenges and the promises of a new and better year for 1965.

I am humbly grateful for the opportunity of serving as your Illustrrious Potentate during the past year. It has been a most exhilarating experience and most rewarding in the friendships made. I deeply appreciate the wonderful support and cooperation which was given me by the Officers, Past Potentates, Uniformed Units, Committees, Shrine Clubs and the thousands of Nobles who have so willingly and unstintingly contributed to the success of Aleppo's 81st year.

It has been a year of strengthening of old friendships and creation of new friendships in welcoming new Nobles into our midst.

The activities of our Units and our Shrine Clubs have reflected a great deal of credit and dignity to our Temple. Our appearances at parades, Memorial Services, Blue Lodges, Past Masters' meetings and the social affairs of the Shrine Clubs to which Nobles and their families and friends are invited have undoubtedly "spread the gospel" and will

result in renewed interest in Masonry and the Shrine.

The splendid work being done in the "interim operation" of our Shriners Burns Institute at Massachusetts General Hospital is an advanced preview of the goal to which all Shriners are dedicated. We look forward to the erection, in the very near future, of our new building which will be designed for research in children's burns and to give the best possible treatment and care to burned children.

To my successor, my sincere wish for a most successful and gratifying term of office.

To the Nobles of Aleppo and their families, my heartiest wish for a most healthy and prosperous New Year!

"Es Selamu Aleikum."

Sincerely yours in the Faith,

Clarence G. Young

Illustrrious Potentate

NEW YEAR'S GREETINGS FROM THE IMPERIAL POTENTATE

Nobles of the Mystic Shrine:

My Emily and I wish to take this opportunity to extend New Year's greetings to all the Nobles of the Mystic Shrine on this vast continent of America and throughout the world. This is the time for us to be thankful and full of brotherly love for the privilege of being free men and being able to worship God as we choose.

This coming year let us re-dedicate ourselves to the faith of our fathers and to those enduring truths and fundamentals that are unchanging. Let us put aside 1964 as a memorable year and look with hope and charity and determination to 1965.

We look ever to tomorrow and to the future. The Shrine can ill afford to be complacent in these times when free men must struggle to remain free. For the Masonic fraternity, gathered together in unity, in accord and in determination, is the one beacon of hope and the one dynamic force standing for the preservation of honesty, integrity and freedom and the other free institutions upon which nations of this continent were built.

A HAPPY NEW YEAR!

O. Carlyle Brock
Imperial Potentate

ARE YOU A SHRINE CLUB MEMBER?

Aleppo Temple is blessed with eleven fine Shrine Clubs located in strategic points throughout our jurisdiction of Eastern Massachusetts. These eleven Shrine Clubs and their locations are: Shrine Club of Southeastern Massachusetts, New Bedford; Worcester County Shrine Club, Worcester; Gardner Shrine Club, Gardner; Merrimack Valley Shrine Club, Lawrence; Newburyport Shrine Club, Newburyport; North Shore Shrine Club, Danvers; Fitchburg and Leominster Shrine Club, Fitchburg; Charles River Valley Shrine Club, Framingham; South Shore Shrine Club, Plymouth; King Philip Shrine Club, Attleboro; Cape Cod Shrine Club, Hyannis. These Clubs are doing an outstanding job of spreading the sunshine of the Shrine as well as furthering the interest of our well known philanthropy, the Shriners Hospitals for Crippled Children.

A Noble needs only to visit a meeting or function of one of these Clubs to recognize its importance to Shriners and Shrinedom as well as to the area in which it is located.

The only thing lacking in these Shrine Clubs is the fact that there are many Nobles of Aleppo eligible for membership in a Shrine Club who have not taken advantage of the opportunity.

The cost of membership in all Shrine Clubs is very small considering the opportunities to serve others and to enjoy good fellowship among our members at Club meetings and entertainments by taking an active part in these functions.

Most Shrine Clubs have regular meetings and functions and issue special announcements of these activities in their communities. If you are not a member we suggest you join up now. You will get a lot more out of the Shrine by affiliating with the Shrine Club in your community. A list of the Officers of the Shrine Clubs in your area will be forwarded on request.

Let The Great Light of Fellowship Shine in Our Shrine

The Diban and Past Potentates of Aleppo Temple extend to the fine Nobility of Aleppo Temple and their families best wishes for a joyous, happy and successful 1965.

Let us all in the days to come raise our hearts and minds in sincere thankfulness for the countless gifts God has bestowed upon us. Let us be ever mindful that as Americans we possess the most precious of all gifts — Freedom.

BURNED BOLIVIAN BOY RETURNS HOME

AFTER SEVEN WEEKS' treatment at the Boston Unit of the Shriners Burns Institute at the Massachusetts General Hospital, Guillermo Gonzales returned to his home in La Paz, Bolivia, with his father on Thanksgiving week-end.

The three-year old Bolivian boy arrived in Boston October 8th with his father after a three-day flight from Bolivia arranged by the South American Lions Club. The boy's burns were caused by accidentally swallowing lye tablets which burned his mouth, throat and stomach. Following surgery in a Bolivian hospital, including a tracheotomy, the doctors felt that special surgery, not available in Bolivia, should be performed in order to save the boy's life and made application for the boy to be entered in the Shriners Burns Institute in Boston for this particular treatment.

The seven weeks' treatment consisted of several delicate operations by a special Burns Team of the M.G.H. surgeons and before being released, the surgeons said that the boy was completely cured.

Before leaving for the return trip to Bolivia, the boy and his father were brought to the Aleppo Temple Shrine Ceremonial in Commonwealth Armory the day after Thanksgiving, November 27, and paid a surprise visit to the 4,200 Nobles present.

Upon their arrival at the Ceremonial, the meeting was temporarily suspended and, in the absence of the Chairman of the Board of the Boston Burns Institute, Past Imperial Potentate Robert Gardiner Wilson, Jr., the Vice Chairman, Past Potentate Herbert N. Faulkner, introduced the father and boy to the Nobles.

The father gave a very stirring Thanksgiving message to the Nobles of Aleppo in appreciation of the Shriners' assistance in saving the life of his son.

As neither the father nor the boy could speak English, his message was very capably translated for the Nobles present by Noble Louis J. Roazen, a noted linguist and official Translator for the Massachusetts Grand Lodge of Masons and the Supreme Council of the Scottish Rite, Northern Jurisdiction.

Following is the message of the father, Jorge Gonzales, to the Shriners as translated by Noble Roazen:

'My dear friends:

"I feel extremely fortunate to be able to see so many people who have joined together in helping me at a time when I most needed their assistance. How can I find words to adequately say thanks for all that you Shriners did for me, for my wife and for my son — for this true miracle that has happened to us?

"I am too filled with emotion to try to tell you what all that you have done means to us. Can I tell you of the terrible blow that strikes when you realize that your three-year old son has put caustic soda tablets into his mouth, thinking that it was candy — can I tell you of the horrible days and nights that followed, with his mouth and throat so badly burned that he could not even breathe, let alone speak or even mumble?

"There seemed no hope that he would ever be able to talk again — and then he was visited in our home in Bolivia by a doctor from your Massachusetts General Hospital in Boston. This was our first bit of encouragement, but how were we to afford the expenses of sending him to Boston and all of the hospital bills? The Lions' Club of South America sent us to

Boston on October 8th, and you, all of you Shriners, all of you who are members of Aleppo Temple, made our stay at the hospital even through this day possible.

"You have demonstrated the true meaning of friendship and love for one's fellowman — you have reached out from one continent to help someone who needed help in another continent — you have opened your hearts to us when we were in despair and hope seemed gone — you have given us back our son.

"Again I thank you for your great kindness, for your understanding hearts, and for giving us back our son Guillermo fully recovered and in perfect health.

"We now leave you to return to our home in Bolivia. We will be forever grateful to the Shriners and to the people of your country for their understanding and helping hand."

Officials of the Burns Institute smile approval as Bolivian boy and his father leave the Hospital to return to South America. Left to right: Judge Robert Gardiner Wilson, Jr., Chairman of the Board, Shriners Burns Institute; Clarence G. Young, Potentate of Aleppo Temple; Jorge Gonzales and his son Guillermo; Edgar L. Turner, Imperial Second Ceremonial Master and member of the Board, and Recorder Harvey B. Leggee, Secretary of the Board.

MASONIC RELATIONS STORY

THROUGHOUT THE UNITED STATES, in Canada or Mexico, on the Pacific Islands, in the Canal Zone and in countries throughout the world, wearers of the Scimitar and Crescent, emblem of the Ancient Arabic Order of the Nobles of the Mystic Shrine, gain instant recognition and friendship. The Shrine insignia worn by a Noble is the open sesame to the hearts and homes of Shriners everywhere.

It has been said that those who have gone before have paved a broad highway of fraternal friendship and good will over while the Noble may travel as long as he proves himself worthy. This is the heritage and privilege of a Noble of the Mystic Shrine, and he finds valued friendships all along the way.

Every Ceremonial is an opportunity for qualified men to become Shriners. The greatest favor a Noble can perform for a friend is to sponsor him as a candidate for initiation. Many lifelong friendships begin in the Shrine.

THE UNWRITTEN LAW OF THE SHRINER

HE IS EXPECTED to display the emblem of the Order always, and always recognize it when worn by other men. Formal introductions should be unnecessary between Shriners.

The Fez is his hallmark. He wears it for all Shrine functions. He does not remove his Fez indoors nor in salute to the flag (execute a right hand salute). He does remove his Fez at prayer when the Fez should be held in the right hand over the heart. He must be certain never to wear the Fez anywhere he would not take his wife, mother or daughter.

A Shriner never forgets that while the Shrine is not a branch of the great Masonic profession, he himself is a part of it. However humble that part, it is within his power by misconduct to discredit Masonry. He must remember that in the eyes of the public, the Shrine is Masonry. Differences well known to him are unknown to others.

To a Shriner the emblem of the Shrine worn by a woman places her under his care and protection. He may not avoid the responsibility. The emblem does not license him to speak, but it does compel a constant watchfulness over the wearer's safety and comfort.

SHRINE BLOOD DONORS WANTED!

OUR CURRENT SHRINE interim operation of five beds at Massachusetts General Hospital for severely burned children, and especially the proposed construction and operation of our new three story, \$3-1/2 million, thirty bed Shrine Burns Institute on Blossom Street, Boston, discloses an immediate and constant need for fairly large quantities of blood. It is therefore proposed to set up an "account" in the M.G.H. Blood Bank where a separate record will be kept of all blood donated by the Nobility to meet this imperative need of our Shriners Hospital Burns Institute. The names of willing Shrine blood donor volunteers now solicited may be given promptly to our Recorder, Harvey B. Leggee, Secretary of the Burns Institute, for appointments to be made through Dr. John B. Constable of M.G.H.

It has been suggested that heads of Uniformed Units set up a Unit donation group, credit to be given to the Unit as well as to the individual.

In order to make an appointment time agreeable to the donor and the Hospital, Nobles are requested to fill out and mail at once the information blank below

FUN AND FELLOWSHIP

SHRINERS ENJOY FUN and good fellowship. Yet underneath all the pageantry and display there beats in every Noble of the Mystic Shrine a heart full of desire to serve mankind in a worthwhile manner.

Through the hard work of the Nobility an army of crippled children is made well. In imagination they march beside the Shriners on parade for all who enjoy watching them.

But needs increase. They will multiply as years go on. That is why Aleppo Temple and the Shrine must continue building membership.

Membership in the Mystic Shrine provides the opportunity to build dividends more precious than anything life has to offer — the happiness of unfortunate little children.

MASONRY IN THE FAR EAST

THE TOKYO BUILDING stands on one of the highest hills in the city as a monument to the court of Masons in Japan. The beautiful building, with its grounds, library, restaurant and swimming pool, is a well-known landmark.

The properties are owned by a foundation elected jointly by Tokyo Masonic Lodge No. 2 on the roll of the Grand Lodge of Japan and the Scottish Rite Bodies of Japan.

Portions of the building are rented as offices and living quarters, but Masonic organizations do not pay rent. Income is donated to charity, such as a 25-bed ward for children, fully maintained with this income.

For American military personnel in Japan the Tokyo Masonic Building has been a home away from home.

—New Masonic Age.

WEAR YOUR SHRINE PIN!

ARE YOU ONE of the Nobles who neglects to wear a Shrine pin? If so, we suggest you get it out, put it on your lapel and leave it there.

WHY?

Because you have come a long way and had a hard journey to reach this station in your fraternal life. Now that you have attained the unquestioned right and the honor so many men desire — to display the crescent and scimitar, the emblem of our Order — you should wear it proudly and not periodically, but always.

Noble, you are a member of an organization that stands for the highest principles of life. You are a member of the finest fraternal organization in the world. You are a part of the Greatest Philanthropy in the World. The Shriners Hospitals for Crippled Children.

WEARING THE FEZ

The Fez is not to be worn except while participating in or attending a Shrine function or activity. It is not to be removed, whether indoors or outdoors, except during the offering of a prayer. At that time, it is removed and held in the right hand over the heart.

WHAT YEAR WERE YOU CREATED A NOBLE?

MANY NOBLES have made inquiry regarding the meaning of the Code letters and numbers on their Aleppo Temple Shrine membership card. The Code indicates the month and year of initiation and the type of membership — viz: AU51 — August, 1951.

If there are no letters after the year, the Noble is a REGULAR dues paying member (\$15.00). If the letter L follows the year, (AU51L) the Noble is a LIFE member of Aleppo Temple and pays only the \$5.00 annual Hospital assessment. If the letters following the year are R-HL, the Noble is a regular (R) dues paying member to the Temple (\$10.00) and is a Shrine Hospital Life member (HL). If the letters are LHL, the Noble is a Life member of both the Temple and the Hospital.

A Hospital Life membership may be purchased by payment of \$150.00 which cancels payment of the annual Crippled Children's Hospital assesment. This assesment is paid by the Imperial Council in the Noble's name not only while living, but also after death and, therefore, becomes a Memorial Life Membership in his name.

Life memberships purchased become effective January 1st after purchase.

A. F. & A. M. — F. & A. M.

MANY MASONS are puzzled why some Grand Lodges designate themselves A. F. & A. M. and others, F. & A. M. Before the United Grand Lodge of England was formed in 1813, there were two Grand Lodges existing in England. One was known as the "Ancients" and the other as the "Moderns." Both of the Grand Lodges issued charters to Lodges in the U. S. A. Those chartered by the Moderns, which was the older Grand Lodge in England, used the title F. & A. M. Those chartered by the Ancients used A. F. & A. M.

As for the principle and ritual of Grand Lodges in the United States using either of these titles, there is practically no difference except such as the Grand Lodges legislate.

There are in the United States 49 Grand Jurisdictions of which 25 use A. F. & A. M., 23 using F. & A. M., one A. F. M. (Ancient Free Masons) South Carolina.

The Lodges working under the jurisdiction of the Grand Lodge of Massachusetts do not have lodge numbers.

1965 SHRINE CARD

NOBLES YOUR 1965 SHRINE CARD WILL BE REQUIRED TO ATTEND ALEPPO'S ANNUAL MEETING AND CEREMONIAL IN THE COMMONWEALTH ARMORY, FRIDAY, JANUARY 15, 1965.

We suggest that you obtain yours BEFORE the day of the meeting to make sure it will be available for your admission to this Annual Election and Full Form Ceremonial and Vaudeville.

ALEPPO CLOWN UNIT VISITS HOSPITAL

THE NEW CLOWN UNIT of Aleppo Temple traveled by bus to the Shriners Hospital for Crippled Children in Springfield, Massachusetts, Sunday, November 22, to give a cook-out and entertain the children. The Clowns were accompanied on the trip by their wives.

A professional puppet show hired by the Clowns entertained the little patients, which was followed by a cook-out of hamburgers, hot dogs, potato chips, ice cream, cake, cookies and tonic. The Clowns, all dressed in their clown costumes, gave gifts to the patients as they made their way spreading cheer throughout the Hospital during the day.

On this visitation the Aleppo Clowns presented the Hospital with two sets of "Educator Bells" for use in educational music training.

It is the hope of this Aleppo Clown Unit to make similar visitations to other children's hospitals throughout our jurisdiction and spread the SUNSHINE OF THE SHRINE to hospitalized children.

Following is a copy of a letter received by Noble Leo Heal, Boss Clown, from Miss Dorothy Forsythe, Administrator of the Hospital, in appreciation of the gifts:

"Dear Mr. Heal:

"We wish to thank you for the Bells which were delivered here on December 2 and which I understand are a donation from the Clown Unit of Aleppo Temple.

"These are beautiful with a far superior tone to the ones they had borrowed from the School Department and they are being used every day school is in session. The school teachers and the children join me in thanking you, and in wishing you all a very Happy Holiday Season.

"Very sincerely,
"Dorothy Forsythe"

FREEDOM AND FELLOWSHIP!

MANY ELIGIBLE MASONS are asking themselves: "Is this the time to join the Shrine?" It is necessary only to reflect for a moment to know that there are countries where the "fellowship of man" is no longer practiced or where people do not know what liberty means. Many people do not know the power and blessings our freedom of thought, speech and action give through freedom from dread, despair and oppression.

The man who is loyal to the ideals of democracy and wants to keep his courage high — the man who wants to make his life count — can find buoyancy, comfort and inspiration by joining those who are already a part of Shrinedom. Decide today that you want to play a part in this great force for freedom and fellowship, where your smile will get bigger and your spirits younger.

WHAT IS A SHRINER?

Fellowship is one of the Shrine principles dedicated to Masonry. The Shrine provides the means to widen the fellowship that was first enjoyed in the Masonic Lodges. It offers companionship with others of similar tastes, interests and feelings and provides close association with men who are leaders in all walks of life.

Faithfulness is another principle of Shrinedom. Joining the Shrine is joining a fraternity of trusted and loyal friends. Shriners are faithful to each other and to the centuries-old code of ethics that has made Masonry the most enduring fraternal order in the world.

A third principle of Shrinedom is fun. Shriners are men who enjoy life. They enjoy football games, circuses, bands, dances or simply quiet social occasions with each other. Yet this same enjoyment in large measure supports the Shrine humanitarian efforts.

Another principle of Shrinedom is humanitarianism. Each year more than 5,000 crippled children leave one of the 17 Shriners Hospitals throughout the U. S., Canada and Mexico. These children, crippled, due to orthopedic problems, leave the hospitals much improved or completely rehabilitated. The Shriners Hospital program has often been called "The World's Greatest Philanthropy."

In 1876 the Imperial Grand Council for North America was formed with headquarters in New York City. At that time the prerequisite for membership in Europe, Asia, Africa and America was established as a 32° Scottish Rite Mason or a Knights Templar in good standing. The purpose of the Imperial Council was to build the Order of Nobles into an organization for the exercise of charity, improvement of the mind, and an ally of the fraternity of Free Masonry in the U. S. This was adopted at the first Imperial Council Session.

Strong Legs Run That Weak Legs May Walk is the motto of the Annual East-West College All Star Shrine Football Game held in San Francisco, Calif. late in December of each year. This is one of the athletic and circus events sponsored by the Temples as fund raising activities for the Shriners Hospitals for Crippled Children.

Some 835,000 Nobles comprise the organization known as the Ancient Arabic Order Nobles of the Mystic Shrine for North America. The 167 Temples are located in the United States, Canada and Mexico.

The Shrine, organized in 1870, has appealed to many because of its colorful costumes, ceremonies and pageantry, all with an Arabic or Near East flavor. The glamour of the organization has been heightened by the history and origin of the Shrine rituals. Walter Fleming and William J. Florence originated the idea for the establishment of the Order.

The Crescent is the official insignia of the Order. In the center is the head of a Sphinx, on the back of which is the Pyramid and Star. The Latin motto, "Robur et furor," signifies strength and fury.

The first major charity undertaken by the Order was in 1888 during the yellow fever epidemic in Jacksonville, Florida. The officers and members of Morocco Temple, assisted by associate Knights Templar, organized themselves into a relief corps to aid victims.

Fun loving Shriners have taken great pride in their parades. The first was held in Baltimore in 1884 and the first national parade was held in Omaha in 1892. It was a glittering pageant from start to finish.

The George Washington Masonic National Memorial in Washington, D. C. is the result of a movement started in 1910 by the Masonic fraternity to provide proper housing for the Masonic relics. Ground for the structure was broken in 1922 and in May 1932 the building was dedicated in Alexandria, Va. Here the heart of Shrinedom is seen in three rooms; the Shrine Room, the Hospital Room and the Imperial Room. The Shrine Room contains a variety of exhibits typifying the varied activities of the Mystic Shrine. These are a mechanical Shrine parade of miniature uniformed units, an expansive relief map of North America with lights to designate the location of Temples and hospitals; oil paintings of Nobles Warren G. Harding, Franklin D. Roosevelt, and Harry S. Truman; a case with the official Red Fez of each Shrine Temple and a replica of each Shrine Hospital and various historic exhibits. Photographs of all Past Imperial Potentates, Recorders and Treasurers are on display.

YOUR NEW ILLUSTRIOUS POTENTATE

OUR new Illustrious Potentate William A. Odell of Arlington was elected Illustrious Potentate for 1965 at the annual election of officers. Mr. Odell succeeds Illustrious Clarence G. Young of Needham.

The meeting was held in the Commonwealth Armory Boston, Friday, January 15, 1965 and was attended by over 4,000 Shriners who witnessed the election and installation of Officers for 1965 and the initiation of 100 new members into the Order at a full form Ceremonial.

The new Potentate was well known in the life insurance business and was in the employ of the John Hancock Mutual Life Insurance Company of Boston for fifty years and has now retired.

Mr. Odell received his education in the public schools of Boston and Burdett College. He enlisted in the United States Army in April, 1917 during World War I and served for 25 months, of which 23 months were in France.

Potentate Odell is a member of Hammatt Lodge, A. F. & A. SHRINERS BURNS INSTITUTE IN BOSTON

PAPERS WERE PASSED on Tuesday, December 29, 1964 in the office of Mayor John F. Collins of Boston marking the purchase of Parcel 8, a 60,000-square foot tract of land in the West End on Blossom Street, opposite the Massachusetts General Hospital, by the Boston Burns Unit of the Shriners Hospitals for Crippled Children from the Boston Redevelopment Authority. A title insurance binder in the sum of 2-½ million dollars was issued by the Boston office of Lawyers Title Insurance Corporation.

Supplementing the 17 orthopedic hospitals for crippled children now owned and operated by the 837,292 Shriners of North America, the Shriners are now prepared to build and operate three so-called Burns Institutes in Boston, Galveston, Texas, and Cincinnati for the treatment of severely burned children and for research in improved burn therapy, at a total initial cost of 10 million dollars. Eligible for admittance are children under 15 years of age — regardless of race, color or religion — whose parents are unable to pay for the necessary treatment. The estimated annual cost of operation at each of the three Burns Institutes is 2-½ million dollars.

Chief Surgeon at the Boston unit is the internationally famous Dr. Oliver Cope of the Massachusetts General Hospital. Chairman of the local Board of Governors is Judge Robert G. Wilson, Jr. of Boston. Imperial Potentate O. Carlyle Brock of the Shrine of North America led groundbreaking ceremonies in Boston, Monday, April 19. The Boston unit is scheduled for completion in 1966. Chairman of the Board of Trustees of the Shrine hospitals in the United States is Harold Lloyd of Los Angeles.

INTRODUCING the location of Aleppo's May Full Form Ceremonial and Strawberry Festival:

"the showplace of the New Boston"

The City of Boston War Memorial Auditorium is the newest facility of its kind in the country. Large and modern, it incorporates the very latest improvements in equipment and design.

A fitting memorial to those who served in the armed forces, the new Auditorium will provide a practical showcase for the life and vitality that is the New Boston.

Now the many worlds of the New Boston — its history, medicine, business, education, arts and science — can be brought together in a new Hub influence.

The Auditorium will be seen as the visible expression of the enthusiasm and energy which is causing Boston to rise to heights never before dreamed of.

One of the world's best equipped centers for large scale functions, the War Memorial Auditorium will bring many important events to Boston. Among the features it offers is the ultimate in year-round comfort, regardless of the weather.

Noble, don't miss the first Shrine Ceremonial in this new and majestic Auditorium.

MOVING

The Recorder careth little how often a Noble changeth his shirt, collar or socks, but woe unto him who changeth his address, and flits hence to the Lord knoweth where, so that neither the Recorder nor Uncle Sam can tell where he tieth up his camel.

If you move—PLEASE advise the Recorder's office of your new address—"Don't get lost in the Desert."

A MESSAGE FROM THE POTENTATE

ON the evening of January 15th, the members of Aleppo Temple honored me by electing me their Illustrious Potentate. When I joined the Arab Patrol in 1920, little did I think that in 1965 I would be Illustrious Potentate of the fourth largest Temple in North America and I deem it a proud distinction and a great personal honor. I shall earnestly endeavor to be faithful to my obligations and uphold the principles and traditions of Shrinedom and Aleppo Temple.

Our first big event of the year was Shrine Night at the Ice Follies on February 18th, when our Uniformed Patrol and Band participated in a precision drill and the Oriental Band played a few numbers.

Our Aleppo Temple Officers Third Degree Team, with the assistance of the Chanters, has raised candidates to the Master Mason Degree in three Blue Lodges and we expect to visit three other lodges in the next two months.

On Friday evening, May 7th, we will have our Annual Potentate's Ball, to be held at the Statler Hilton Hotel.

On June 5th, Aleppo Temple will hold its tenth Annual All-Masonic Night at Boston Garden. Past Imperial Potentate Robert Gardiner Wilson, Jr. is the General Chairman. We shall be honored at this meeting by the presence of our Imperial Potentate O. Carlyle Brock of Erie, Pennsylvania. We will also pay tribute to the Grand Lodge of Massachusetts, the Order of DeMolay, and members of the Scottish and York Rite Bodies.

My program for 1965 will be for a substantial increase in our membership. An increase in membership being the life blood of any Temple, we must at all

times strive to get our Masonic Brethren, whenever and wherever we meet them, interested in becoming members of the Shrine. We should point out to our Brother Masons that in becoming Shriners, they are gaining an opportunity to participate in the greatest philanthropy in the world: The Shriners Hospitals for Crippled Children and the newly established Burns Institutes for the care and treatment of burned children.

Listed in this notice are the names of our Temple Officers and members of our Uniformed Units, committee members, and Shrine Club Officers. These Nobles generously give time and effort to keep Aleppo moving and to help make our Shrine the "Show Window" of Masonry. I look forward to their continued efforts and cooperation this year, with the help of every Aleppo Noble, to assist in keeping Aleppo the fourth largest Temple in Shrinedom.

On July 11 our Officers and Uniformed Units entrain for Washington, D. C., for the Imperial Council Session. The usual day parade will be on Pennsylvania Avenue on Tuesday morning, July 13th, and the night parade on Thursday, July 15th will follow the same route.

We expect to hold a Shrine Baseball Night in August, as well as a Shrine Luncheon in September or October.

Nobles, it is a privilege to be a Shriner, and again I thank you for your confidence in electing me to serve as your Potentate for 1965.

Sincerely yours in the Faith.

William A. Odell

SHRINERS BURNS INSTITUTE IN BOSTON

PAPERS WERE PASSED on Tuesday, December 29, 1964 in the office of Mayor John F. Collins of Boston marking the purchase of Parcel 8, a 60,000-square foot tract of land in the West End on Blossom Street, opposite the Massachusetts General Hospital, by the Boston Burns Unit of the Shriners Hospitals for Crippled Children from the Boston Redevelopment Authority. A title insurance binder in the sum of 2-½ million dollars was issued by the Boston office of Lawyers Title Insurance Corporation.

Supplementing the 17 orthopedic hospitals for crippled children now owned and operated by the 837,292 Shriners of North America, the Shriners are now prepared to build and operate three so-called Burns Institutes in Boston, Galveston, Texas, and Cincinnati for the treatment of severely burned children and for research in improved burn therapy, at a total initial cost of 10 million dollars. Eligible for admittance are children under 15 years of age — regardless of race, color or religion — whose parents are unable to pay for the necessary treatment. The estimated annual cost of operation at each of the three Burns Institutes is 2-½ million dollars.

Chief Surgeon at the Boston unit is the internationally famous Dr. Oliver Cope of the Massachusetts General Hospital. Chairman of the local Board of Governors is Judge Robert G. Wilson, Jr. of Boston. Imperial Potentate O. Carlyle Brock of the Shrine of North America led groundbreaking ceremonies in Boston, Monday, April 19. The Boston unit is scheduled for completion in 1966. Chairman of the Board of Trustees of the Shrine hospitals in the United States is Harold Lloyd of Los Angeles.

INTRODUCING the location of Aleppo's May Full Form Ceremonial and Strawberry Festival:

"the showplace of the New Boston"

The City of Boston War Memorial Auditorium is the newest facility of its kind in the country. Large and modern, it incorporates the very latest improvements in equipment and design.

A fitting memorial to those who served in the armed forces, the new Auditorium will provide a practical showcase for the life and vitality that is the New Boston.

Now the many worlds of the New Boston — its history, medicine, business, education, arts and science — can be brought together in a new Hub influence.

The Auditorium will be seen as the visible expression of the enthusiasm and energy which is causing Boston to rise to heights never before dreamed of.

One of the world's best equipped centers for large scale functions, the War Memorial Auditorium will bring many important events to Boston. Among the features it offers is the ultimate in year-round comfort, regardless of the weather.

Noble, don't miss the first Shrine Ceremonial in this new and majestic Auditorium.

MOVING

The Recorder careth little how often a Noble changeth his shirt, collar or socks, but woe unto him who changeth his address, and flits hence to the Lord knoweth where, so that neither the Recorder nor Uncle Sam can tell where he tieth up his camel.

If you move—PLEASE advise the Recorder's office of your new address—"Don't get lost in the Desert."

Our Director of Ceremonials

SOMETIMES WE WONDER, when we attend one of Aleppo's big Full Form Ceremonials, what makes it "click" and run so smoothly. For the edification of the four or five thousand Nobles present, a look behind the scenes will give one of the main reasons for the success of Aleppo Ceremonials and the reasons why our Nobles as well as visiting Nobles are so profuse in their praise.

The setting up, direction and operation of a big Ceremonial depends upon the complete cooperation and coordination of thoughts and hard work of many "key" Nobles. The Noble carrying the heavy burden of the operation of Aleppo's Ceremonial is Noble Henry F. Bell, Director of Ceremonials, who has held this position for the past eight years. Noble Bell does his work in a quiet and unassuming way but he is a dynamic leader in his work, having the duty of

Noble Henry F. Bell

coordinating all mechanical operations, time schedules, setting up Ceremonial meeting rooms, stages and seating accommodations, and a thousand and one other details unseen and unknown to the average Noble.

To those who know Noble Bell and his hard work in the interests of Aleppo and its Nobility, it is little wonder why he was picked recently as one of the two Nobles to receive Aleppo's Robert Gardiner Wilson, Jr. Medal of Merit for "service beyond duty".

Noble Bell is a member of Nehoiden Lodge, A. F. & A. M. of Needham, and Maugus Hill Lodge, A. F. & A. M. of Wellesley; St. Mathews Royal Arch Chapter; Boston Council, Royal and Select Masters, and is a Past Commander of St. Omer Commandery #21, Knights Templar. He is a Past President of the Presiding Councils Club, Knights Templar, having served a three-year term as its President, during which time he inaugurated the Grand Commandery Ball which has continued since as an annual event.

Noble Bell is a life member of the Scottish Rite Bodies in the Valley of Boston and has been for many years an Assistant Master of Ceremonies of Massachusetts Consistory, 32°. He is a Past Monarch and present Secretary of Omar Grotto, M.O.V.P.E.R. During his two-year term as Monarch he was the General Chairman of the Convention Committee of the Supreme Council, M.O.V.P.E.R., National Convention held in Boston in 1960.

Noble Bell was President of Aleppo Temple's Charles River Valley Shrine Club in 1959 and during his term established the Club's DeMolay Scholarship Fund.

He has the distinction of being the only Mason to hold all three of the following awards:

"Order of Merit" presented for "distinguished service and distinction upon our Order" by the Grand Commandery of Knights Templar of Massachusetts and Rhode Island.
"Distinguished Service Medal" of Massachusetts Consistory.

Aleppo Temple's "Robert Gardiner Wilson, Jr. Medal" (mentioned above).

His civic activities include membership in the American Society of Refrigeration Engineers and a Town Meeting member of Wellesley, having served his precinct for the past twelve years, and formerly serving as a Town Meeting member of Brookline for nine years.

Noble Bell has an outstanding record and Aleppo Temple is indeed fortunate to have him as its Director of Ceremonials!

1965 MEMBERSHIP CRUSADE

THE AIM of our Illustrious Potentate this year is to keep Aleppo above the 16,000 mark and retain our Temple standing as fourth largest Temple in Shrinedom. Aleppo Temple now has 16,134 members. Through deaths, demits, etc., we will lose approximately 600. In order to have a safe margin, we are pointing for 600 NEW members.

At the May 14 Ceremonial in the New Boston Auditorium we expect to initiate 400 new members. It is not an impossible feat if we all put our shoulder to the wheel and really work at it. Let's back up our Potentate and make this a banner year.

Abraham Lincoln once said, "The question-mark is purposely shaped like a hook." By asking questions, he led others to think as he did. A question can convey an idea just as accurately as a statement — but in question form the statement does not arouse resentment or antagonism.

In our ever present quest for new members and as Nobles who have a deep affection for our Beloved Fraternity, we can follow the strategy used by this great President. We urge you to visit your Blue Lodge, your Scottish Rite and your York Rite and to convey the Shrine idea through the Lincolnian system of pointed questions. Such questions as:

— Do you know of any organization that gives its members so many happy hours of fabulous fellowship and congenial companionship as does the Shrine?

— Wouldn't you enjoy joining the highest calibre of successful men and associating with the leaders of business, government and education as a member of the Shrine?

— Wouldn't you welcome the opportunity of being a living part of the world's greatest humanitarian project . . . the Shriners Hospitals for Crippled Children and the Childrens Burns Institutes?

Nobles, we have a great product. Let's make our non-Shrine friends, who are eligible for membership, conscious of this product by asking them a few well directed questions, questions that will paint a vivid word picture of what it will mean to them and to their families when they, too, are Shriners. Let's follow the technique our great President Lincoln used in winning juries . . . if we do . . . we will win many a new member for Shrinedom.

WILLARD C. LOMBARD
2nd CEREMONIAL MASTER

AN IMPORTANT APPOINTMENT of the Illustrious Potentate when elected each year is that of 2nd Ceremonial Master, which has been for many years the first step in the official line in Aleppo Temple. The Noble appointed to this office usually moves up in the official line and, therefore, is a potential Illustrious Potentate in approximately seven years.

At the annual meeting of Aleppo, Illustrious Potentate Odell announced his appointment of Willard C. Lombard to this important office.

Noble Willard C. Lombard was born September 26, 1918 in Chelsea, Massachusetts. He attended Grammar School in Everett and received his High School education at Wakefield High School and Clark School, Hanover, New Hampshire, graduating from there in 1936. He attended Bowdoin College in Brunswick, Maine and obtained his LL.B. Degree Cum Laude in Boston University Law School in 1941.

While attending Law School, he was an associate of the Boston University Law Review, a member of Woolsack, an honorary scholastic society, and was a winner of the John Ordronaux prize for scholarship. He was admitted to the Massachusetts Bar in 1941.

During World War II, Noble Lombard saw service in the United States Coast Guard from February 2, 1942 to April 26, 1946. He was commissioned an Ensign in July 1942 and released from active duty as a Lieutenant. He saw service in the European and Pacific Theatres of War aboard various Coast Guard ships.

Since 1946 he has been practicing law as a member of the firm of Sweetser & Lombard, 18 Tremont Street, Boston, Mass. He is Vice President and Trustee of the Everett Savings Bank and a member of the Winchester Boat Club and Shield Club.

Noble Lombard served in the Temple Guard since it was organized in 1953. He has served as Captain of the Guard for the past three years and prior to that time served as Deputy Captain. He is a member of Golden Rule Lodge, A. F. & A. M., Wakefield, Mass., Scottish Rite Bodies in the Valley of Boston, St. Pauls Royal Arch Chapter, Boston Commandery #2, Knights Templar and Boston Court No. 103, Royal Order of Jesters.

Noble Lombard is married to Marcia J. Fiske and they have two children, Willard W. and Hilary J., and they reside in Arlington, Mass. He is the son of Willard P. Lombard, a Past Potentate of Aleppo Temple.

ALEPPO'S SALUTE TO MASONRY

SATURDAY EVENING, June 5, 1965, promises to be another Aleppo Temple spectacular at the Boston Garden. Announcement letters were mailed the Secretaries of 333 Massachusetts Blue Lodges on March 13; by Friday, March 19 over 150 Secretaries had requested over 60,000 ticket applications for mail out to their membership.

Not only the Grand Master and Massachusetts Masonic dignitaries but also the Imperial Potentate of the Shrine of North America, O. Carlyle Brock of Erie, Pennsylvania, will be present.

The colorful display of Shrine pageantry, including Aleppo Temple's famous Band, Arab Patrol, Oriental Band, Chanters, and other uniformed units, as well as the Order of De Molay, will be supplemented by uniformed Knights Templar and Consistory Guards.

Special units present will include the Blue Belles Highland Pipe Band of Saugus, the Linn Village Drum Band of Wakefield, and the Rainbow Rangerettes Drum Corps of Winchester and Woburn.

The evening will close with the usual lavish professional entertainment.

No tickets will be mailed out prior to May 15.

ALEPPO NOBLE HONORED

FOR his stirring sermon, "Remember the Name," Rev. Noble Peter N. Knost of Gloucester's Independent Christian Church, was recently given the George Washington Honor Medal Award by the Freedoms Foundation. To our knowledge Rev. Noble Knost is the only clergyman in Massachusetts to receive Freedoms Foundation Award.

The Foundation, located at Valley Forge, Pennsylvania, honors American organizations, schools and individuals for "their contributions toward a better understanding and a greater appreciation of the American Way of Life."

Rev. Noble Knost preached his sermon in Gloucester on Sunday, before Memorial Day last year. The theme of his sermon was that the American heritage must be preserved and nurtured and that religion is woven into the fabric of American life. A printed copy of Rev. Noble Knost's arousing sermon may be obtained from the Gloucester Independent Church, Gloucester, Mass.

ALEPPO CLOWNS DO IT AGAIN!

IN UPROARIOUS FACES and costumes to match, six Nobles of the Aleppo Temple Clown Unit visited the young patients at Memorial Hospital, Worcester on February 22nd and helped the youngsters celebrate Washington's Birthday. They brought ice cream, candy bars, tonic, toys, peanuts and the biggest and prettiest Washington's Birthday cake ever baked, decorated with cherries, hatchets and chocolate fudge.

The party was sponsored by the Worcester County Shrine Club, George A. Wood, President. The six Nobles from the Aleppo Temple Clown Unit who threw the party includes Richard Lavin, Dover; Walter Setzco, Leominster; John Ivestor, Sudbury; Dr. Philip Poole, Leominster; Thomas A. Wilson, Clinton and a guest Noble, Howard Schmidt of Middletown, New York.

ONE OF ALEPPO'S CLOWNS, Doctor Philip B. Poole holds the attention of children in the Memorial Hospital, Worcester, during a recent visit of the Clown Unit. From left: Thomas C. Carelli, Noble Poole, Charlene F. Smith and John A. Suprenant.

DEMOLAY CELEBRATES 46th BIRTHDAY

THE ORDER OF DEMOLAY, an international youth organization that offers teenage boys the training and guidance they need to become better citizens, celebrated its 46th birthday from March 14-21. Founded in 1919 by Frank S. Land, Kansas City, Mo., the organization has grown from a group of nine boys to a membership of over 100,000 boys in several countries. Illustrious Noble Land was Imperial Potentate in 1954 - 55.

The purpose of DeMolay Week is to acquaint the general public, parents, prospective members and Masons with the work and general principles of the organization.

THE ALEPPO TEMPLE SHRINE BOWLING LEAGUE

THE BOWLING LEAGUE has reached a point in its 30 year old existence where a very important decision must be made.

We, who have been together these many years, are getting along and we need new and younger men to carry on. The spirit is willing but the body falters. We have bowled this year with about 70% attendance. We bowl on Thursday nights.

If any of the NOBLES are interested, they would be welcome to come in and look us over. We now have a four team league but with enough new members, we could expand to six or more teams.

Any interested parties can get in touch with any of the officers or bowlers in the league, as listed elsewhere in this notice or contact the Bowling Secretary, Albert M. Smith, 65 Longview Road, Reading, Tel. LI 2-8607. This years season is drawing to a close but we need to know how many new members we can plan on for the coming year.

NATIONAL SHRINE MEMBERSHIP ON THE RISE

SHRINEDOM'S TOTAL membership gained 3,006 during 1964 according to a recent announcement by Imperial Potentate O. Carlyle Brock. This brings the Shrine membership in North America up to a total of 837,292 as of January 1, 1965. Newly created Nobles for the present year amounted to 34,763.

Aleppo's loss for the past year was 164. If we repeat that loss in 1965 our net membership will go below the 16,000 mark and jeopardize our position of 4th largest Temple in Shrinedom.

Nobles, we cannot let this happen! Will you help to prevent it by proposing at least ONE new member in 1965.

"Let's Strengthen What We Have"!

Illustrious Potentate

GROUND WAS BROKEN April 19 for the Boston Unit of the Shriners Hospitals for Crippled Children Burns Institute. The site was Blossom Street opposite the Research Building of the Massachusetts General Hospital where construction will begin on the new Shrine Hospital in the fall of 1965. The Boston Unit has been operating a 5-bed interim unit at the Massachusetts General Hospital since April 1, 1964 where 36 burned children have been admitted in the past 16 months.

The new Boston Unit will contain 30 beds for the treatment and rehabilitation of severely burned children. In addition, the Institute will conduct a research program and a teaching program.

O. Carlyle Brock, Imperial Potentate, officiated at the ceremonies which took place on Patriot's Day, April 19. It was on this date 190 years ago that Paul Revere, second Grand Master of Masons in Massachusetts, made his famous ride to Lexington, passing the ground-breaking site. At the ceremonies Imperial Potentate Brock received an exact replica of the lantern which hung in the belfry of the Old North Church from Noble Julius Fedel, Captain of the Mounted Patrol of Aleppo Temple, who arrived at the ceremonies on horseback in the Colonial costume of Paul Revere. The lantern symbolizes the bringing of new light to the medical world in the field of burn therapy and the care of burned children through the efforts of the Shriners and the cooperation and assistance from the Harvard Medical School and Massachusetts General Hospital.

The Unit, which will have 30 beds, is expected to be completed and in full operation by the end of 1966. This Unit is one of three being built by the Shrine to save the lives of severely burned children and restore their bodies through intensive patient care. Burns are the greatest single hazard of childhood and improved burn therapy has been described by medical authorities as our country's most urgent medical need. In addition to treating severely burned children, these Hospitals will conduct research in problems related to burns and train medical personnel to care for the burned patients.

Prior to turning the first shovel, Imperial Potentate Brock told his audience that Boston was selected as a site for one of the three Shriners Burns Institutes because Harvard Medical School was a well trained staff in the field of trauma.

"The study of burns cannot be undertaken by the Shrine alone," Brock said, "but needs the trained medical specialists and facilities of a great university research and teaching center and the outstanding medical knowledge of surgical doctors and personnel of the Massachusetts General Hospital."

Brock paid tribute to Dr. Oliver Cope, Shrine Professor of Surgery at the Boston Unit. He said that the knowledge Dr. Cope and his colleagues gained as a result of the Cocoanut Grove and Hartford circus fires influenced the Shrine's decision to locate the Shriners Burns Institute facility here.

The Burns Institutes are open to all children under 15 regardless of race, creed or color whose parents are unable to pay for their care.

Left to right are: John Lawrence, Chairman of the Massachusetts General Hospital; Edgar L. Turner (behind Lawrence), Imperial Second Ceremonial Master; Dr. George Berry, Dean of the Harvard Medical School; O. Carlyle Brock, Imperial Potentate; Julius Fedel, Captain of the Mounted Patrol of Aleppo Temple (dressed as Paul Revere); Robert Gardiner Wilson, Jr., Past Imperial Potentate and Chairman, Board of Governors, Boston Unit, and Elliot Richardson, Lieutenant Governor of Massachusetts.

SHRINE ADDS NEW HOSPITALS

THE IMPERIAL COUNCIL Representatives who represent all Shriners in North America unanimously voted at the recent July Imperial Council Session held in Washington, D. C., to make a major policy decision regarding their philanthropic program by adding two children's orthopedic hospitals to their present group of 17 Shriners Hospitals for Crippled Children, making a total of nineteen orthopedic hospitals which will be augmented by the three Burns Institutes now being built

Following extended debate regarding the group's financial ability to further expand its hospital program, they voted to accept complete responsibility for children's orthopedic hospitals now operating in Erie, Pennsylvania, and Houston, Texas. These two hospitals have been operated in the past by the two Shrine Temples in those cities.

"This is truly a major policy decision to meet what we consider to be our responsibilities in this work," said Imperial Potentate O. Carlyle Brock who presided as the international head of the Shrine of North America.

"And the decision, as I interpret it, goes much deeper than simply to add two new hospitals," Brock added. "The sentiment expressed verbally, and by the enthusiastic vote was to state a 'permanent' policy to continue to fill these philanthropic needs and to raise the necessary money to do it. This means, of course, that it is the sentiment of the group that we will continue to expand our program as dictated by needs." Brock concluded.

A MESSAGE FROM THE POTENTATE

Dear Nobles:

Your Potentate would like to express his appreciation to the Divan Officers, Past Potentates, Elected and Appointed Officers and Uniformed Units for their assistance in making our record May Ceremonial so successful.

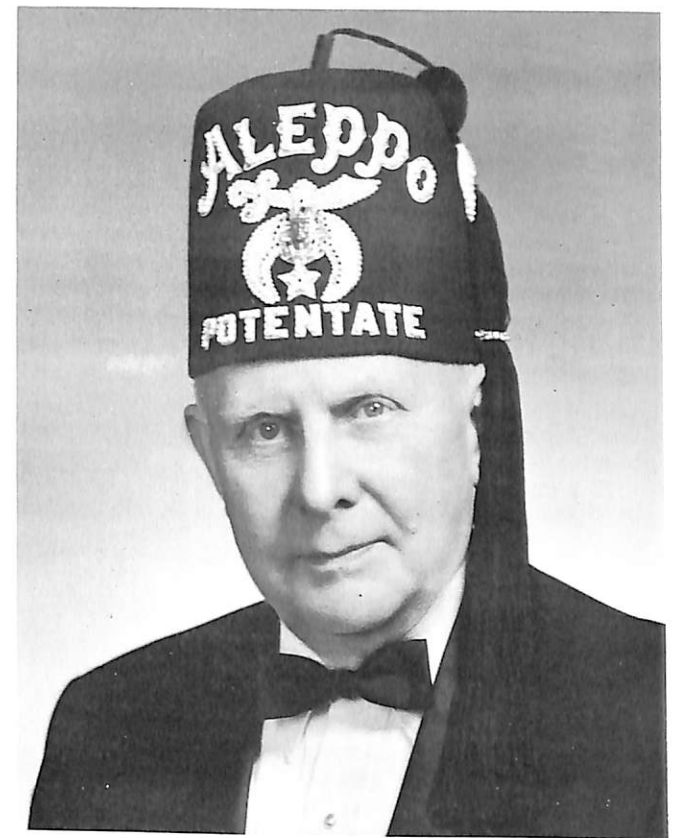

Many of the 6500 Nobles who attended our Spring Ceremonial and Strawberry Festival at the new Boston War Memorial rated it as one of Aleppo's most memorable Ceremonial meetings. Naturally we have been most grateful to receive these good reports from the Nobility for whom we strive to make our Ceremonials as pleasing as is humanly possible. The Class of 391 Candidates was especially pleasing to your Potentate.

Since the first of the year our Aleppo Temple Officers' Third Degree Team, with the assistance of the Chanters, has raised Candidates to the Master Mason Degree in no less than eight Blue Lodges. Your Officers have made fraternal visits to Melha Temple in Springfield, Mount Sinai Temple in Barre, Vermont, Pyramid Temple in Bridgeport, Connecticut, Bektash Temple in Manchester, New Hampshire, and Kora Temple in Freeport, Maine.

On April 19, under the capable Chairmanship of Imperial Sir Robert Gardiner Wilson, Jr., we broke ground for the proposed new 3-1/2 million dollar Boston Burns Institute with the Imperial Potentate, O. Carlyle Brock, in attendance.

On May 7 the Potentate's Ball was held at the Statler Hilton Hotel and this year's event was a beautiful affair distinguished by the Ladies in their attractive evening gowns and our Nobles in tuxedos and red Fezzes.

On June 5 we sponsored our annual All Masonic Night at the Boston Garden under the direction of Past Imperial Potentate Robert G. Wilson, Jr. as General Chairman, at which time tribute was paid to the Grand Lodge of Massachusetts, members of the Scottish and York Rite Bodies and the Order of DeMolay. Our Imperial Potentate O. Carlyle Brock honored us by his presence and was the speaker of the evening. This All Masonic Night was another impressive event of Aleppo Temple and, as it stands, it will go down in history as the biggest All Masonic affair ever held in Boston and, for that matter, in all New England.

On July 11 to July 16 we attended the Imperial Council Session in Washington, D. C., with our Officers and Uniformed Units. It was a wonderful experience to lead our contingent down Pennsylvania Avenue on Tuesday morning and again on Thursday night and our Officers and Units made a most commendable showing.

Our eleven Shrine Clubs have been most active and all of them have held or will be holding Receptions to your Potentate and his Officers.

Our annual Shrine Circus will be held at the Boston Arena October 8 to October 12.

As I stated in our May notice, my primary program for 1965 is for a substantial increase in our membership. There are over 6,000 York and Scottish Rite Masons within the jurisdiction of Aleppo Temple available for membership in the Shrine. Aleppo Temple is still the fourth largest Temple in North America and we want to keep it there. It is, therefore, my earnest hope that every Noble will go forth and proudly "tell and sell" the magnificent story of Shrinedom and this can be accomplished by each individual member selling Aleppo Temple to the hundreds of novices right in his own community. Remember, Nobles, the Shrine is Masonry in action for in the Shrine you enjoy more fun, pleasure and fraternal sociability than in any other group.

Sincerely yours in the Faith,

William A. Odell
Illustrious Potentate

GRATEFUL CANDIDATE THANKS ALEPPO MEDICAL CORPS

WHEN FIVE OR SIX thousand Shriners get together for an Aleppo Shrine Ceremonial, many things can happen, and they usually do . . . but one of the comforting things to our Nobles is the knowledge that Aleppo has a new and active group of Doctors and medical men who give their time at Ceremonials and other Shrine functions to be ready to help any Noble who may need medical assistance.

During the Spring Ceremonial one of the newly created Nobles was stricken with a bad asthma attack. Our Doctors and Medical Corpsmen moved in quickly and had the new Noble under their care in the fully equipped Medical Room they operate at each Ceremonial. The following letter from this Noble proves the value and importance of our Medical Corps consisting of a fine group of Doctors and their assistants who are members of Aleppo Temple.

"Dear Nobles:

"I hope you will forgive me for not acknowledging my gratitude sooner, but better late than never. I do want to express my feeling and want you to know, and especially those doctors who gave their time and services to make me comfortable during a bad asthma attack the night I was made a Shriner, how really grateful I am.

"Although I can't honestly say I enjoyed the evening because of my condition, it did leave with me a fixed and wonderful impression of the real meaning of Brotherhood.

"I hope that others as well as myself will not need that kind of help again, but it sure is good to know it is there.

"Sincerely,
"A New Noble"

SHRINERS TO ASSEMBLE IN SHADOW OF SPHINX

HUNDREDS of Shriners from all over North America will participate in a Ceremonial on the desert in the shadow of the Sphinx.

These events will climax the first tour ever arranged for the general membership of the Ancient Arabic Order of the Nobles of the Mystic Shrine. For their destination they chose Egypt, the land that inspired the Shrine ritual.

The Shriners will fly to the Middle East next October on the 1965 Imperial Shrine Pilgrimage to the Land of the Pharaohs; they will stop over in one European capital en route home.

Since the group will be too large to travel together — in fact, most cities on the itinerary haven't enough hotel rooms to accommodate so many at one time — the Shriners will depart several days apart next October in five smaller traveling parties.

But all will rendezvous in Cairo for the Ceremonial and parade, October 29 and 30.

To accommodate them all, a rest village of tents will be thrown up on the desert between the Sphinx and Pyramids. Some pilgrims will sleep aboard river steamers tied up along the banks of the Nile.

During the Ceremonial new members will be inducted in a ritual performed between the paws of the Sphinx.

The tour will last 22 days and each group will spend eight days in Cairo, three days in Israel, three in Jordan and three in Beirut.

A MESSAGE FROM OUR IMPERIAL CHAPLAIN LT. COL. REGINALD E. CLEVETT

"I HAVE been highly honored by Imperial Potentate Barney Collins in having been appointed to be his Imperial Chaplain. It is with humility and pride that I have accepted this great honor to direct the spiritual program of Shrinedom for the next twelve months.

"This is a great challenge to me and I pray that God will enable me to fulfill the duties and obligations that this assignment demands. Not only have I been honored, but the great Organization, The Salvation Army, to which I was dedicated by my parents when in my infancy, is honored to have one of its Officers selected to guide the spiritual destiny of Shrinedom, for the ensuing year.

"I count it an honor and a privilege to be a Mason and a Shriner; to participate in the program of the Shrine, which has brought comfort and healing to thousands of Children through its outstanding Civic and Charity work in their local Communities. Truly ours is a labor of love, and I am proud to have a small part in it.

"To the over 837,000 Shriners of North America, and to the Imperial Potentate and the Imperial Divan, I pledge my utmost in service to the length of my Cable-tow, for the coming twelve months as your Chaplain.

"May God abundantly bless each and every one of you, and your loved ones. May our great Organization grow under the blessing of our Heavenly Father."

Colonel Clevett was born in England, raised in Ohio, and currently resides in Mexico City, Mexico. He is a Lieutenant Colonel in the Salvation Army and acts as Divisional Commander for the Salvation Army for the Republic of Mexico.

He is a member of San Antonio Triune Lodge No. 15 and received the degree of the Royal Arch and Order of the Temple in Houston, Texas. In 1948 he was created a Noble in Arabia Temple, Houston, Texas. In 1952 Col. Clevett received the Scottish Rite through the 32° and in 1954 demitted from Arabia Temple and affiliated with Anexeh Temple of Mexico City, Mexico. In 1952 he affiliated with Anahuac Lodge No. 3, Mexico City, and was Worshipful Master in 1961. He has also been elected and installed as Excellent High Priest of City of Mexico Chapter No. 1, R. A. M. Other Masonic honors and activities include: Illustrious Master of City of Mexico, No. 2, Council of R. & S. Masons; Eminent Commander Ivanhoe No. 2 Commandery; Venerable Master Consistory No. 1, A. & A. Scottish Rite Valley of Mexico; Past Patron Aztec Chapter, Order of Eastern Star; Past Camaxtli, Tenochtitlan, Teocalli No. 1, Order of Quetzacoatl; and was made K. C. C. H. in 1963.

MAY WE COUNT ON YOU?

Aleppo Temple, like every other fraternal body, must acquire a certain percentage of new members each year to maintain its membership.

The Grim Reaper can always be counted on to lower the membership. A number of Nobles also leave our ranks by way of Demits. All of them must be replaced before we can begin to increase our roll by a single member.

Every Noble of Aleppo Temple can render valuable assistance to his Temple by securing at least one petition each year. May we count on YOU?

NEW SHRINE TEMPLE

IN THE HEART of the Sun Country, Tucson, Arizona, will be located the home of Sabbar Temple, the newest Temple in Shrinedom. Action during the 91st Imperial Council Session in Washington, D. C., authorized creation of the Shrine's 168th Temple there.

1,200 Nobles in the Tucson area, formerly members of El Zaribah Temple of Phoenix and other Temples throughout North America, will form Sabbar's membership. This new Temple will be headed by Illustrious Noble Harry J. Stith who will serve as Sabbar's first Potentate and Virgil P. Stewart who will serve as the first Recorder. One of the Nobles active in the formation of this new Temple is Aleppo's Noble Melvin R. Lynn, son of our late Past Potentate, Illustrious N. Russell Lynn.

Sabbar's jurisdiction will be in Southern Arizona and will have exclusive jurisdiction in the counties of Pima, Cochise, Graham, Greelee and Santa Cruz, and in the southern sector of Pinal County.

Sabbar is Arabic of Cactus, but the new Temple will not have to face many of the thorny problems that confront new organizations. Sabbar Temple already has a home . . . the building which has been housing the Tucson Shrine Club. The premises are complete with offices, club and meeting rooms and a kitchen. The building is sufficient to house all the activities of a 2,000-member Temple, except for Ceremonials.

The new Temple is also fortunate that its primary sponsor, the Tucson Shrine Club, is a strong and active organization. This Club is transferring to Sabbar Temple all of its assets. Thus this new Temple will have the problem of financial stability solved.

Sabbar Temple will also have Units. From the nucleus of experienced personnel and existing Units of the Tucson Shrine Club, Sabbar's Units are already being formed. Of primary importance will be the formation of a Ritualistic Divan, a Temple Guard, Temple Greeters, a Director's Staff, a Patrol, Drum and Bugle Corps and Clowns.

The growth potential of Sabbar's Temple is excellent, as Southern Arizona has many Masons. Within the City of Tucson alone there are seven Blue Lodges with more than 2,400 members, a Scottish Rite Consistory with nearly 3,000 members, and the most active York Rite Body in the State. With this fertile field to draw from, Sabbar hopes to play an important role in expanding Shrinedom and benefiting all of Masonry.

THE Illustrious Potentate of Bektash Temple of New Hampshire, Charles H. Gay, claims to have the "oldest" and the "best" . . . the *oldest Shriner* and the *best Temple*!

At the May 22 Ceremonial of Bektash, among the Class of Candidates initiated was Noble Sherman D. Parsons of Wolfboro, New Hampshire, 103 years young! Noble Parsons was born January 13, 1862. He was raised a Master Mason in Morningstar Lodge No. 17, F. & A. M. of Wolfboro in 1894.

During his distinguished Masonic career he has attended the raising of every Master Mason in his Lodge for the past 80 years with but one exception.

NEEDHAM NOBLE AWARDED CITATION

AT THE recent Shriners' Annual Convention held at Washington, D. C., Noble Robert E. Powell of Warren Street, Needham, was presented the Imperial Potentate's Membership Citation of the Shrine of North America. The presentation was made by William A. Odell, Illustrious Potentate of Aleppo Temple of Boston on behalf of O. Carlyle Brock, 1964-65 Imperial Potentate of the Shrine of North America.

The award was presented to the top Shriner among the 16,000 membership of Aleppo Temple Shrine in recognition of services to his Organization and the Shrine of North America. Powell's leadership in the membership program in Aleppo Temple during the year 1964 has brought international recognition by Shrine leaders. His assistance in creating a larger membership will make possible an enlargement in the Shriners' work . . . the Shriners Hospitals for Crippled Children.

The Shriners now operate 19 Hospitals for Crippled Children and 3 Burns Institutes for burned children in North America. One of the 3 Burns Institutes will be built in Boston. Children under 15 years of age, regardless of race or creed, in need of medical care available at the Hospitals and whose parents are unable to pay are admitted without charge.

SHRINE TO NEGOTIATE FOR TWO NEW CRIPPLED CHILDREN'S HOSPITALS

OFFICIALS of the Colorado Corporation were authorized by the 91st Imperial Council Session to negotiate, with the power to act, for two new Shriners Hospitals for Crippled Children.

On July 15, 1965, in Washington, D. C. the Council voted to negotiate for the children's orthopedic hospitals now operating in Erie, Pennsylvania and Houston, Texas. The hospitals are presently being operated by Zem Zem Temple and Arabia Temple, respectively.

The Council estimated the cost for operating the two hospitals would be around a million dollars a year, and if they are obtained, will boost the annual expenditure for our hospitals to over ten million dollars per annum.

WOULDN'T IT BE WONDERFUL?

WOULDN'T IT be wonderful if all a Potentate had to do was determine how many Candidates he wants during his year . . . and have them materialize?

Unfortunately, it doesn't work that way. It requires much application. It takes plenty of determination and perseverance.

The vitality of Shrinedom depends on the addition of new members who are worthy of Shrine heritage.

New membership is actually the responsibility of every Noble of Aleppo Temple. But, actually, those who spearhead a campaign for new members are what might be called the "Task Force." They are the Nobles of our Shrine Clubs, Uniformed Units, Elected and Appointed Officers, and varied working committees. The Membership Committee is the "Sales Force" — every Noble of Aleppo Temple! We can be mediocre salesmen or superb salesmen. We can be average or creative. The average sells books, the creative sells the value of knowledge. The difference lies in the use of imagination in selling methods.

When seeking a candidate for Aleppo, we shouldn't merely sell him a membership card. We should sell him the friendship, fraternalism, fun and social events that card will bring to him all over North America as a Noble of the Mystic Shrine. Don't sell just a membership; sell humanitarianism, and the bright and happy smiles of thousands of children who have been aided in our Shriners Hospitals for Crippled Children. Tell him and you'll sell him!

Aleppo plans to continue to award membership jewels to sponsors of candidates. We hope every Noble of Aleppo will make a special effort to win one of these awards.

HERALDRY

EACH YEAR Shriners periodically gather in an atmosphere of color and pageantry marked by parades of brass bands, Arab patrols, floats, chariots, horses and camels. Much of the color and mystery was created by the Shrine founders to make the order attractive to prospective candidates. Today the brilliant costumes continue to highlight the close bond that exists among Nobles and are symbolic of the fun, faithfulness, friendship and humanitarianism that the Shrine offers new members.

Contained in the Shrine Room of the George Washington Masonic National Memorial Building in Alexandria, Va. are exhibits and displays of the order, its activities and famous members. Most eye-catching is the moving, musical model featuring more than 900 uniformed parade figures.

Prominently associated with Shrinedom are the red fez and the Shrine emblem. An imaginative effort to set Nobles apart — drawing on the mystery of the East and its reputation as the cradle of enlightenment — they continue to serve as identifying insignia for the Shriner and his unique organization.

MEMBERSHIP DRIVE

A REPORT from Membership Chairman Past Potentate Bayley released after the May Ceremonial showed the following interesting contest for honors among the Shrine Clubs, Uniformed Units and individual Nobles.

With the coming September 24 Ceremonial, followed by the Thanksgiving Ceremonial to be held November 26, it is not too late for all Nobles to get aboard the "Band Wagon", sponsor Candidates for these coming Ceremonials and win one of Aleppo's beautiful Membership Merit Badges. Medals are presented to Nobles who sign the top line of five or more Petitions during the year. The Recorder will be glad to forward Petitions to any Noble who has a prospective Candidate for membership in Aleppo.

ORTHOPEDICS

Giving Hope

THE HAPPY BEDLAM of chatting mothers and playful children at the Shriners Hospital in Springfield, Mass., last week seemed almost like a family reunion. Yet there was a difference; the children all used artificial limbs. They were at the hospital for a monthly checkup. The very cheerfulness of the gathering, however, illustrated the hope that new advances in orthopedics have brought to both handicapped children and their understandably concerned parents.

Roughly one out of every 4,000 children born in the United States is missing part or all of one or more limbs. Except in the rare instance of a mother's taking a harmful drug such as Thalidomide, during pregnancy, the causes of these congenital deformities are seldom known. But the effects are only too evident: in some cases, arms and legs end in misshapen stumps; in others, vital bones are missing from legs and arms, leaving the limbs partially disabled.

Advantages for infants. Until a few years ago, children born with such deformities were allowed to reach full growth before any major corrective measures were taken, but now doctors at Shriners and a score of other pioneering hospitals are proceeding differently, says Dr. Leon M. Kruger, 40, who heads the clinic for crippled children in Springfield: "As soon as a child feels an inclination to stand, we feel he is ready for prosthetics."

Doctors have found that infants are less inclined than adults to develop the "substitution pattern" — the unfortunate tendency in cripples to make do with a stump rather than to rely on an artificial arm or leg. Under the care of skilled therapists, infants spend an average 72 days as in-patients in the Springfield hospital, learning to use simple beginner prostheses—a hook for a hand, a short, thick stilt for a leg. Because they are naturally so eager to walk and to handle objects, infants usually accept prostheses as parts of their own bodies.

Examples for Adults. The children return to the hospital each month for evaluation by a surgeon, physician, prosthetist, physiotherapist and sometimes an occupational therapist—a team approach that has won increasing favor since World War II. The evaluation sessions are held with groups of 15 or 20 children so that they see that other similarly handicapped children are also learning to cope. Parents attend the sessions and are encouraged to talk out their problems with one another. As a result, most have found the emotional strength to face up to their children's problems. "We call her hand 'the hooker' explains the mother of a pert five-year-old girl who was born without a left forearm, "because that is what the kids will call it, and she'll be used to it by then."

Starting out young with artificial limbs helps handicapped children develop a sometimes almost uncanny skill. A two-year-old girl, who was born with only stumps for legs, is already using artificial legs and articulate knees; a four-year-old boy, who was born without arms, can draw as well as a normal child with crayon clenched in his hook. Other older children can dance, skip rope and even ice skate on artificial legs. As a result, the children, though physically crippled, avoid the greater danger of becoming emotionally crippled. Their spirit is so good, in fact, that doctors in the Springfield Unit invite adult amputees to visit the monthly evaluation sessions to give the older patients new hope.

NOBLE GIVES TWO MILLION DOLLARS TO SHRINERS HOSPITALS

NOBLE ALBERT McDONALD of Al Malaikah Temple in Los Angeles recently gave the Shriners Hospitals for Crippled Children over two million dollars, and was honored by the Imperial Council at the Imperial Convention in Washington, D. C. Noble McDonald, who is 93 years old, is a resident of Pico Rivera, California. He has been a member of Al Malaikah Temple, Los Angeles, for 52 years.

THE TWO MILLION DOLLAR donor, Noble Albert McDonald of Al Malaikah Temple, Los Angeles, is thanked by (left) Imperial Sir Harold Lloyd, Past Imperial Potentate and Chairman, National Board of Trustees, Shriners Hospitals for Crippled Children, and (right) Imperial Sir O. Carlyle Brock, Imperial Potentate, 1964-65.

Sometime prior to January of 1963, Noble McDonald agreed with his wife (now deceased) that the bulk of their estate should be given to the Shriners Hospitals for Crippled Children. Most of their estate was in negotiable securities which he took from his safety deposit box in the bank. He now takes up his story:

"I always have prepared my own income tax forms, and I told my wife that we should give most of our money to the Shriners Hospitals now, and let them take over the work of handling our estate.

"I put the stocks and bonds in a box, covered them with camellias so that no one would know what was in the box. I boarded a bus and went to see my lawyer, J. Marion Wright, a Past Potentate of Al Malaikah Temple. I set the box down on his desk and told him to handle the whole business.

"I really didn't know how much was in the box, but after the bank made an inventory of the current value of the stocks and bonds, Mr. Wright told me I had given the Shriners more than two million dollars. I still have enough to live on, and I have none of the worry of taxes and the like."

IT'S A FACT —

In 1857 President Benito Juarez, a Mason, who was a leader of the Liberals in Mexico, headed and established the reform movement separating church and state and prohibiting church officials from intervention in politics. Thus was formed the present democratic system in Mexico.

ALEPPO'S ANNUAL SHRINE CIRCUS

OUR ANNUAL 3-ring, all professional Shrine Circus this year is scheduled for the Boston Arena, on St. Botolph Street at Massachusetts Avenue, Friday night, October 8, through Tuesday (Columbus Day) matinee, October 12.

While this annual event is sponsored by Aleppo Temple for the benefit of Shrine activities and to afford less privileged youngsters an opportunity to see our Circus spectacle free as your guests at special performances provided for that purpose, it may be noted that \$25,000. proceeds of our 1963 Circus were donated to the proposed new Shrine Burns Institute in Boston. And all uniforms and equipment for our Uniformed Units almost without exception have been purchased from Circus proceeds in the amount of \$57,877.66.

In past years this public relations project has been made possible through the generous support of a loyal Nobility. Such support is a continued necessity in view of the fact that while we do count also on public sale of tickets at the Arena box office, we do NOT resort to any of the so-called methods of "heat sales" of tickets to the public by professional telephone solicitors.

PLEASE forward check promptly for all, or at least a part, of the Circus coupon book now forwarded you.

SPECIAL SHRINE NIGHT, at which all our Uniformed Units will appear, is scheduled for

Friday evening, October 8. **BRING YOUR FAMILY, AND WEAR YOUR FEZ.**

Illustrious Potentate

IMPERIAL SIR EDGAR LLOYD TURNER
IMPERIAL FIRST CEREMONIAL MASTER
ANCIENT ARABIC ORDER, NOBLES OF THE MYSTIC SHRINE
1904 - 1965

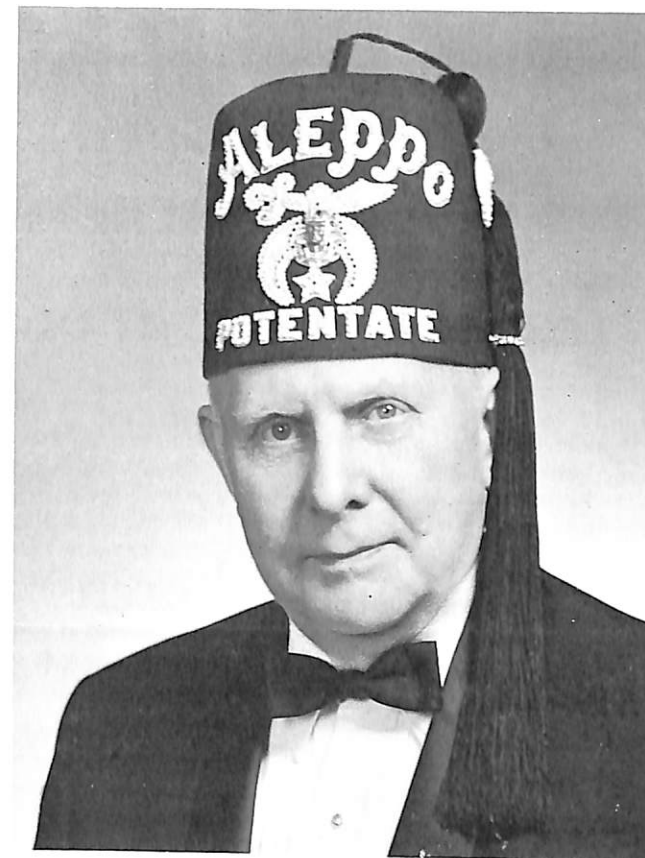

IMPERIAL SIR "Ed" Turner was born in Revere, Massachusetts on April 14, 1904, and was educated in the City of Medford, Massachusetts, public schools and Boston University. He was President and Treasurer of the Seven-Up Bottling Company of Boston, Massachusetts. He also owned and operated a chain of restaurants in New Jersey. For the past seven years he had been a director of the Soft Drink Association in Massachusetts and was Treasurer of the Boston Patriots Football Club of the American League.

Raised in Russell Lodge, Arlington, Massachusetts, in 1939, he transferred his membership to Wellesley Lodge in 1943 and belonged to Wellesley Lodge and Maugus Hill Lodge, both of Wellesley. He served as Master of Wellesley Lodge in 1953-1954. He was a member of the York Rite and Scottish Rite Bodies, Boston Court No. 103, Royal Order of Jesters, and The Cabiri. He was Potentate of Aleppo Temple in 1958 and was elected Imperial Outer Guard of the Shrine of North America, in Miami in 1961.

He was married to Hilma Mason of Melrose, Massachusetts, and the union was blessed by two children, both of whom are married. Their son Philip and son-in-law Frederick A. Spencer, associated with him in business, are members of Aleppo Temple. He also leaves four grandsons and two granddaughters.

Funeral services for Imperial Sir Turner were held Wednesday, October 20, 1965, in the Wellesley Hills Congregational Church.

*"They never quite leave us,
our friends who have passed
Through the shadows of death
and the sunlight above;
A thousand bright memories
are holding them fast
To the places they blessed
with their presence and love."*

A MESSAGE FROM THE POTENTATE

OUR TRADITIONAL Thanksgiving Fall Ceremonial is being held again this year the day after Thanksgiving, Friday, November 26, 1965, and while we are grateful for Shrinedom at all times in the year, it's November, the month of Thanksgiving, that should remind us to count our Shrine blessings and every Noble should want to express his thankfulness for the wonderful associations and good friends he has made through Shrinedom and for the tremendous philanthropic work of our Shrine Hospitals for Crippled Children and the newly established Burns Institutes for the care and treatment of burned children. There is no finer way to express Thanksgiving for the many blessings Shrinedom has given you than to give back to Shrinedom that powerful blessing of new membership. So tell your Knights Templar and 32nd Degree Scottish Rite friends just how much the Shrine has meant to you and persuade them to petition Aleppo Temple for membership.

The annual Shrine Circus sponsored by Aleppo Temple was held at the Boston Arena from October 8 through October 12 for the enjoyment of our Nobility and all friends of Shrinedom and most especially for thousands of underprivileged, orphaned and crippled children who enjoyed an exceptional show.

We are especially grateful once again to our Past Imperial Potentate, Robert Gardiner Wilson, Jr., for his untiring efforts and the tremendous amount of

time and work he has devoted each year as Chairman in promoting the Circus, to the Shriners who provided the children with tickets, as well as to the Officers, Uniformed Units and members of Aleppo Temple Shrine for their part in making this such an outstanding occasion.

This Thanksgiving Ceremonial is dedicated to the eleven Shrine Clubs in Aleppo's jurisdiction. A Noble needs only to visit a meeting, Ladies' Night, or other function of one of these Clubs, to recognize its importance to Shriners and their families. The cost of membership in a Shrine Club is very small and will enhance your Shrine membership a great deal in additional functions and the making of new friends.

The great need in any organization is new members and Aleppo Temple and all Shrinedom are no exceptions. We hope to obtain at least 200 Candidates for our Thanksgiving Ceremonial which is the final Ceremonial of 1965. Your Potentate would appreciate all Nobles making a special effort to "round up" at least one new member that he may attain this goal.

This being the Holiday Season, your Potentate wishes all Nobles and their families a pleasant Thanksgiving, a joyous Christmas, and a very happy and prosperous New Year.

Sincerely yours in the Faith,

William A. Odell

REPORT OF OUR ANNUAL SHRINE CIRCUS

THE 22nd annual Shrine Circus, sponsored by Aleppo Temple this past month at the Boston Arena, is now history, having run for 9 performances over Columbus Day weekend, and we are pleased to report, that due to the loyal cooperative efforts of so many of our members and friends, this year's circus was again outstanding. We are hopeful that the total of returns still coming in, most welcome as they are, will assure record results.

Officers and uniformed units of the Temple, in parade from Copley Square to the Arena, provided a colorful opening feature for Shrine Night on Friday, October 8. Members of the various uniformed units of Aleppo successively rendered most helpful service during the Circus engagement selling programs and assisting as volunteer ushers. Our Clown Unit again proved a pleasant and entertaining innovation at the kiddie shows. Among those personally present and greatly assisting at all nine Boston Arena performances, or almost all shows, both night and day, were Nobles Ray Fridolin, George Jones, Willis Dresser, Frank Brown, Henry Markow, James Laird, Frank Ells, and William Shannon.

Your Chairman is again profoundly grateful for the continued generous support evidenced by so many of our Nobles. Sponsorship and operation of a Shrine Circus is a real job. Promotion of an animal-naming contest, with the attendant publicity afforded by gratuitous cooperation of the Boston Record American and Sunday Advertiser, assured the intense interest of thousands of New England school children. This year's gift to the Franklin Park Zoo by Aleppo Temple was a Bengal tiger cub to be known as "Bengaleppo."

Thousands of less-privileged children attended our daytime performances as your guests, or guests of those of the general public who joined our endeavor. Invitations issued last summer to scores of social agencies for thousands of children to be guests of our Daddy Club, with assignment of the various groups not only to definite dates, but to reserved seat sections on arrival, resulted in record capacity audiences especially at the morning shows on Saturday and Tuesday.

We are justly proud of our Circus. It is the very spirit of the Shrine at its best. For Circus day always opens a clean, and wholesome vista of happy laughter and excitement, and thrills, and wonder, — for young and old. It is not without reason that down through the years, the very word "Shriner" has become synonymous with pageantry, and happiness, and smiles, — and the best in good citizenship. No child who has ever been thrilled at a Shrine Circus, as the warmly welcomed guest of Aleppo Temple and its friends, will ever fail to remember deep in his or her heart, that the man in the red fez isn't the worst fellow in the

world. Whatever his race or creed. A Shrine Circus in this century of wars, and social unrest, and broken faith, and selfishness, — at least for one unforgettable afternoon, — can restore to confused children some of the glorious happiness of old-fashioned childhood. And the children of today are the men and women of tomorrow.

We truly wish every Noble could have the privilege and experience the keen pleasure of reading the kindly and the grateful sentiments expressed in the scores of letters we have received since Circus week.

So also has it been a privilege to read the many responses from Nobles of Aleppo Temple, as a study of human nature. We hear from many wonderful Nobles, some of whom are slowly reaching the sunset hours of a long but wonderful journey. We read of financial reverses, or lingering illness, or sudden misfortune, — but always coupled with inspirational courage, unselfish thought of others, and a never failing pride in the Shrine. For the most part the letters make us proud of the Shrine. For example there came a letter, after the close of the Circus from Noble Ed Furber at Saipan, in the far away Mariana Islands, which read: "Dear Nobles: Just received your notice of the Shrine Circus for this year last Saturday, October 9. It's too late for anyone to use any of the tickets, but I'm sure you can use the money. So here's a check for them."

And there was the unexpected but most welcome note from little 13 year old Teresa Morris, of 157 Willow Street, West Roxbury, who had won a prize Saturday night in the animal-naming contest. It read: "Dear Sir, To have been second prize winner in the contest sponsored by your organization was a big thrill for me, and I sincerely thank you. I also am now aware of the great charitable work of the Aleppo Shriners, and may God bless you gentlemen for the work you do for his little ones. My father was disabled and has not worked for five years, and you can readily understand what my winning meant to me. As a token of my appreciation may I make this small contribution towards your charities. Again, God bless you all, and I remain, Respectfully yours, Terasa Morris. P.S. I enjoyed the circus very much."

Typical letters from Nobles of Aleppo, with signature initials changed to prevent identification, are attached to this report.

Once again your Chairman is proud to be a Shriner.

Yours with and in the Faith,

Robert Gardiner Wilson Jr.

Chairman

1965 SHRINE CIRCUS — DADDY LIST NO. 2

Names Listed in Order of Receipt Up to Time of Publication

THE NAMES of Nobles of Aleppo who previously joined the 1965 Shrine Circus Daddy Club, List No. 1, by purchasing five or more coupons to our 1965 Shrine Circus and returning the tickets with their check to admit less privileged orphans or handicapped children to our Circus have already been published. Printed below are the names of Nobles joining the Daddy Club Number 2.

The Circus Committee appeals to Nobles who have not already filed returns on their tickets for this year to join the Daddy Club now by returning unused Membership coupons and a check to cover at least a part, if not all, of the returned tickets. By so doing, these Nobles will not only assist the Committee in promptly balancing the ticket account of this year's Circus, but also make up any difference between requests made for Daddy tickets again this year, and the supply available. Additional Daddy Lists will be printed in future Shrine notices.

CARIBBEAN AND HAWAIIAN CRUISES

ALL NOBLES, their families and friends are invited to sail through the crystal clear Caribbean or across the blue Pacific with Imperial Potentate and Mrs. Barney W. Collins!

Next April 21st the big white liner SS LURLINE will sail for Hawaii and the annual Imperial Potentate's visitation to Hawaii and Aloha Temple. You and your family and friends will be offered special events and features that are not included on any other trip to the Islands. You will stay in hotels right on Waikiki Beach—the Moana, the Surfrider, and the Royal Hawaiian. There will be a special optional trip to fabulous Tahiti, including Bora-Bora, Moorea and Rangiroa in the South Pacific.

Other Nobles and their families will accompany Imperial Sir Collins on his visitation to Abou-Saad Temple in the Panama Canal Zone. You are invited to come along when they sail from New York City on February 5th aboard the luxurious SS UNITED STATES—the transatlantic blue ribbon holder. Cruising through the Caribbean to Panama, the SS UNITED STATES will call at St. Thomas in the Virgin Islands; Curacao in the Dutch West Indies; Cristobal, Canal Zone for a day's activities with the members of Abou Saad Temple; and Kingston, Jamaica, before returning to New York on February 17th.

For further information regarding these Imperial Potentate's Cruises, write to your Recorder, 569 Boylston Street, Boston, Mass. 02116.
